The Chicora Rotary Club of Myrtle Beach presents the sixth annual "Waves of the Future – Rotary's Celebration of Horry County Schools." It will showcase theatrical talents of children grades K – 12. Last year's show packed the house and featured more than 600 students from 16 schools and all proceeds went to nonprofit causes. Over the first 5 years, Waves of the Future has raised \$50,000 to support Horry Schools Fine Arts Programs.

Our "fun-raiser" will again provide funds for the Fine Arts programs in the schools and for the many local and international projects which Rotary supports, including Polio eradication, the Dictionary Program, and Project Happy Feet. This year 100% of the net ticket proceeds will be donated to Horry Schools Fine Arts Programs (minimum \$10,000).
